INFORMATION DISCLOSURE STATEMENT

Applicant is submitting Form PTO 1449 submitting references to Helbling, Patent No. 5,546,303; Ohmae, Patent No. 4,673,802; Smith, Patent No. 5,111,395; Burke, Patent No. 6,112,191; and Lawlor, Patent No. 5,220,501.

It is believed that each of these documents is relevant because they were cited in co-pending application of the present inventor SN 09/611,905 filed July 7, 2000 involving a companion invention.

Also submitted are McCarthy patents 4,941,090 and Re. 36,116. These are believed to be relevant because they deal with a centralized system of accumulating cash value for consumers based upon point-of-sale transactions with multiple merchants.

Respectfully submitted,

Leo Stanger
